Councilmen Discuss Health Unit, Henderson Property, Street Work

At a called meeting of the City Council Wednesday afternoon, the councilmen voted to support the Health Unit and contributed their share of the expense which amounted to \$1440.

The second item on the agenda for the afternoon was brought up when Attorneys E. A. Camp and Don Humble, representing John B. Henderson, asked the city if they would return to Henderson approximately 30 feet of property which was originally designated for a street in the Henderson Addition.

The new Safeway project would be in need of this strip of land and since the property had not yet been opened as a street, the councilmen passed an ordinance giving the property back to Henderson in order to make it available to the Safeway officials. The 10-foot alley, which is located there, will remain, councilmen said.

The final item discussed was the curb and gutter project that the road committee has been working on with the State Highway Department for the past two years. The street involves the area between Main Street to Highway 36.

The council agreed that since all necessary items had been taken care of, the road committee be given the right to go ahead with the project and remove all obstacles in the way of the new proposed curb and gutter.

Lone Star Gas Here Presented Safe Driving Awards

Lone Star Gas Company's Cameron District employees were presented with safe driving awards Tuesday June 14.

The awards were presented at the company's Cameron office by Jerry Wheat, safety engineer.

These employees drove more than 95,000 miles without accident in 1954 and have compiled a grand total of more than 355,000 miles without accident.

"As a part of Lone Star's overall safety program," Mr. Wheat said in making the presentations, "all employees are urged to observe rules of safe driving at all times. We are proud to present these awards to our Cameron employees."

Employees receiving awards and the number of years they have driven a minimum of 5,000 miles without accident are listed below:

John W. Clark, 11 years; W. Q. Plant and F. J. Polansky, 8 years; Wesley Crouch, E. R. Plemper and R. F. Seaton, 5 years; F. A. Matula Jr. and Jack Slaughter, 4 years; F. H. Holcomb, T. M. Kirk and D. E. Williams, 3 years; R. C. Cone, B. W. Dyer, W. T. Dyer and Elton Hendrix, 2 years; G. W. Addington, C. M. Burke, J. L. Tryd and E. E. Ward, 1 year.

Local Men Honored At Dinner For Service With Gulf Oil Company

Ten Milam County men were honored at a dinner Thursday night, June 16, in La Grange, by the Gulf Oil Corporation in recognition and appreciation of their long business association with that company.

E. H. Coffield of Cameron was presented with a silver plaque in recognition of his 39 years association as the Distributor for Gulf Oil Products in the Cameron and Rockdale areas.

Silver plaques were presented to Mr. J. Starrett Hickman of Cameron for 26 years association as a dealer, and Mr. T. E. Walker of Milano for 27 years as a dealer.

Bronze plaques were presented to the following in recognition of their association as a dealers for the periods indicated —

Will Davis, Sharp, 9 years — E. J. Fletcher, Miner, 5 years — Royce Harwell, Rockdale, 8 years — E. E. Henry, Rockdale, 10 years — G. W. McLain, Cameron, 6 years, and E. E. Phillips, Buckholts, 22 years

Gulf District Manager, Mr. V. C. Jung, in making the presentation said, "Gulf is proud of its veteran Distributors and dealers who have been so faithfully and importantly associated with the company throughout the years."

These independent businessmen are the backbone of our marketing endeavor, and represent the company to the vast majority of the motoring public."

Gulf dealers are honored after completing five years' association with the company, and for every additional five-year period thereafter. Altogether, some 13,636 Gulf dealers now belong to this veteran group, with 580 having 25 years' association with the company, 269 with 30 years, 86 with 35 years, 27 with 40 years, and 3 with 45 years.

Miss Vogelsang On Southwestern U. Distinction List

Miss Frances Vogelsang, daughter of Mr. and Mrs. F. W. Vogel-sang was listed among the students at Southwestern University who averaged 90 or above on the spring distinction list released recently by the registrar's office.

The distinction list is made up of students whose general averages are 90 per cent or above on a minimum of 15 semester hours of work.

Miss Vogelsang graduated from Yoe High School in 1953 with honors and has been attending Southwestern since that time.

Final Rites For Arthur Burnett Sunday, June 19

Arthur L. Burnett died early Friday at St. Edward Hospital. He had been a resident of the Jones Prairie community for the past fifty five years.

Mr. Burnett was born August 9, 1888 in North Carolina and moved to Jones Prairie at the age of thirteen, where he was a farmer all of his life. He was a deacon of the Little River Baptist Church.

Among his survivors are his widow, two daughters Mrs. Nadine Parker of Cameron and Mrs. La Nelle White of Clute; five sons, George Burnett of Clute, Roy Burnett of Valesco, S. T. Burnett of Freeport, Thomas L. Burnett of Clute and Walter Burnett, U. S. Army, Germany. He is also survived by three brothers, J. H. Burnett of Cameron, Norman Burnett of Hobgood, N. C. and Ed Burnett of Toledo, Ohio; three sisters, Mrs. W. A. Atkinson, Mrs. R. K. Anderson and Mrs. W. B. Burnett all of Cameron.

Funeral services were held at 3:00 p. m. Sunday, June 19, at Little River Baptist Church, with Green's Funeral directors making the arrangements. Interment was in Little River Cemetery.

Ronald Hudson Receives Masters Degree At A & M

William Ronald Hudson, son of Mr. and Mrs. H. C. Hudson has just completed work for a Masters of Science Degree in Civil Engineering at A & M College.

Ronald left Thursday for Lackland Air Force Base in San Antonio where he will enter the United States Air Force, as Second Lieutenant.

He graduated from Yoe High School in 1950 and has attended Texas A & M since that time.

S. S. Representative Here June 28

The regular visit of the Social Security Representative to Cameron, Texas, will be Tuesday, June 28, 1955. The public is invited to contact this representative at the Department of Public Welfare at 1:00 p. m.

This community service is offered by the Austin office of the Social Security Administration for the convenience of residents of this area.

ELIZABETH NEWTON — Shown above is Miss Elizabeth Newton, the seventeen year old daughter of Dr. and Mrs. W. R. Newton, Jr., of Cameron. Miss Newton will compete with other candidates for the 1955 Farm Bureau Queen title at the Simon-George Hall on July 21. Miss Newton is a senior in Yoe High School and is a member of the Order of Rainbow Girls, F.H.A. Library Guild, Student Council, Jr. Historian Society and G.A.'s of the Baptist Church. She will be a Yocemen cheerleader next year and last year was named the All School Queen and 1955 Homecoming queen. She also was a member of the band.

July 15 Deadline To Enter Milam County Farm Bureau Queen Contest

The deadline to enter the 1955 Milam County Farm Bureau Queen isn't until July 15 and girls who are daughters or sisters of Farm Bureau members have been urged to enter.

The contest will be held at the Simon-George Memorial Hall on July 21. The first ten entrants will have their picture placed in the paper, free of charge by the county Farm Bureau.

The girls will wear formal at this contest and be judged on appearance, poise and personality.

The local contest is the first step toward a \$500 award and the title of Miss Farm Bureau beauty winner in December. The winner of the local contest will go to district, usually held in September, with the winner there to go to the state convention in Fort Worth in November and from there the winner will attend the American Farm Bureau convention in Chicago. They will be accompanied by a matron and be given \$500 for expenses.

Rules regulating the Milam County contest are as follows: (1) Must be daughter or sister of a Farm Bureau member; (2) Must be single; (3) Must be between the ages of 16 and 22; (4) Cannot be the daughter of a State Director or any Farm Bureau employee, County Officer or County Director or cannot be a former State Beauty contest winner.

Miss Lenora Bickett, secretary of the local Farm Bureau, announced that all entry blanks must be in by July 15, with entries issued on request at the Farm Bureau office on Houston street, in downtown Cameron.

C of G Membership Reaches 184

Again the membership of the Chamber of Commerce has been boosted. Two new supporters of the Chamber are William C. Black Attorney, and Don Humble, Attorney. These two new additions make the membership reach 184.

"Through the participation, cooperation and support of all members, new and old the organization is looking forward to a big and successful year", stated Jimmy Wiggs, Chairman of the Membership Committee, "and we believe that the Chamber and Cameron have a very bright future".

-OIL NEWS-
The Texas Gulf Sulphur Co. NO. 1 Fee, Milam County wildcat near Milano, was drilling at 11,401 feet at last report, on a 12,000-foot permit.

Joyce Nicholson To Leave Friday For Northwestern

Miss Joyce Nicholson, daughter of Mr. and Mrs. Bert Nicholson, 707 Washington Ave. of this city, will leave Friday June 24, via plane for summer school at Northwestern University on Lake Michigan Evanston, Ill.

Joyce will journey to Houston by car where she will be joined by four of her friends and students of Lamar High School of that city. Together they will leave by plane for Chicago where they will be met by a member of the summer staff of Northwestern and ston.

Each summer this University selects 250 high school students

from hundreds of applications received over the United States, to attend their summer school. These students are selected according to many qualifications. High grade averages, abilities in the courses they choose to study and fine character references.

Original Oratory, Humorous Declaration, Dramatic Interpretation, Stage Properties, Costuming, Stage Lighting, Make-up will be the courses Joyce will take in the Speech and Drama Department.

Accompanying Joyce to Houston will be her father and mother of Cameron, an aunt Mrs. H. L. Blanton of Waco and two cousins, Linda Sue Townley and Don Varley of Waco.

Joyce will return from the University in August by plane to Dallas where she will be met by her uncle and aunt, Mr. and Mrs. David Wade of that city.

FARM BUREAU QUEEN ENTRY — Miss Pat Moraw, seventeen-year-old daughter of Mr. and Mrs. Frank Moraw of Cameron, is another entrant in the Milam County Farm Bureau Queen contest, to be held July 21 in Cameron. Miss Moraw will be a senior in C. H. Yoe High School next fall. She is a member of the student council, F. H. A. and was the F. F. A. Sweetheart last year. This year she is president of the Catholic Youth Organization of Cameron. Pat's father has been a member of the Farm Bureau for many years. The Moraws are former residents of Temple and have lived here for the past three years.

Cameron National Guard Making Final Plans To Attend Camp

The officers and enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion are making final preparations to attend their annual two weeks of National Guard summer camp, which this year will be held at North Fort Hood from June 26 to July 10.

Battery C will join the other units of the 649th from Temple, Belton and Taylor, for the fifteen days of summer field training.

An unusual feature of this year's encampment will be that while Battery C and the other units of the 649th AAA Battalion are part of the 49th Armored Division, the rest of the Division will go to Fort Hood a week earlier, arriving there June 19. Thus the 649th units will be there only during the second week of the 49th Armored Division's stay.

Plans call for the local Guardsmen to leave the Armory here in Cameron early on Sunday morning, June 26, and make the trip to North Fort Hood in their own vehicles. Much of the Battery's

equipment, including the two M-42 tanks, M-16 half-tracks, trucks and jeeps will be in the convoy.

At North Fort Hood the Guardsmen will occupy tents in the camp area, except when they are out in the field in bivouac during the second week of training.

Scheduled for the first week is recruit training, small arms firing on the rifle range, and .50 cal. machine-gun firing at ground targets on the gas car range. Highlight of the week's activities will be a parade and review on Saturday morning.

Much of the second week will be spent in the field, where the gun crews will practice firing at RC-ATS — Radio Controlled Aerial Targets — small radio controlled planes. They will return from the field to camp the latter part of the week. They will leave North Fort Hood shortly after noon on Sunday, July 10, and arrive back home in Cameron later that afternoon.

American Legion Plans Election Of Officers, Barbecue July 12

The Edwin Hardy Post Number Nine, American Legion will elect new officers Tuesday night July 12 and will also celebrate the event with a barbecue with all the trimmings, reports Robert Glenn, Commander.

Commander Glenn emphasized the importance of this meeting, as it is very necessary that the new officers be elected and installed in time to formulate a new program and carry out the programs already authorized by the members of the Post.

A nominating committee composed of John Muse, Jack Dubose O. G. Tumbelson, Edwin Kohutek, W. R. Whitely and Roy Wohlebe will offer a slate of officers for the Post's consideration. Other nominations from the floor will be accepted for consideration also.

Glenn urges every member to be present and bring another veteran with him.

A barbecue plate with appropriate accessories will be served for \$1.00 per person.

Howard Gonten Wins Second In State 4-H Tractor Contest

Good Rainfall Brings Hopes For Best Milam Crops

Having been blessed with about an inch of rainfall each week during the growing season local farmers are looking forward to bountiful crops this year.

For the first time in many years farmers have a gleeful look in their eye and hopes for record-breaking yields from their land.

Sanders, head of the local A.S.C. office reported that all crops, truck and cotton are especially good so far, with insects well under control.

Cotton, he stated, is anywhere from knee to waist high and beginning to fruit up.

"A good rain in about 10 days would be beneficial to the corn crops", Sanders stated, "but all our cotton needs is some good hot, dry weather."

This year, as last year, farmers are to get a 90 per cent parity, with the flexible parity not due until next year.

Dick Green, Former Resident, Dies Thursday

Dick Green, 56, a former Cameron resident, died suddenly in San Antonio Thursday night. Mr. Green was reared in Cameron and moved to San Antonio approximately thirty years ago. He was employed with the Civil Service.

He is survived by his widow of San Antonio, who is the former Hazel Sisson of Cameron. Mr. Green was the brother-in-law of Mrs. O. L. Kidd of Cameron.

Also surviving are two daughters, Mrs. Bill Butts of San Antonio and Mrs. Virginia Caldwell of Italy, Europe.

Cotton Contest Participants To Be Judged on Three Main Points

Wheat Growers Urged To Vote In Referendum

The outcome of the wheat marketing quota referendum on June 25 will affect the price-support level and determine whether marketing quotas will be in effect for the 1956 crop of wheat.

According to Mr. Graves, Chairman of the Milam County Agricultural Stabilization and Conservation Committee, if two-thirds vote "yes", the support for the 1956 crop will probably be between 75 and 82 percent of parity, the exact level will be announced before the referendum. If more than one-third vote "no", the support will be 50 percent of parity. In any case, support will be available in the commercial wheat area only to those farmers who stay within their farm's wheat acreage allotment.

Another point which wheat growers should have in mind when they cast their ballot is that if the vote is favorable, marketing quotas will be in effect and those who exceed the farm acreage allotment will be subject to a marketing penalty of 45 percent of parity on their excess wheat. If the vote is unfavorable, marketing quotas will not be in effect and there will be no penalty for excess wheat.

Acreage Allotments will be in effect for price support purposes even if marketing quotas are disapproved.

Chairman Graves emphasizes that the marketing quotas program applies only to wheat growers in the commercial wheat States who will have more than 15 acres of wheat on any one farm in 1956. Texas is a commercial wheat State. Marketing quotas do not apply to wheat growers in States designated as non-commercial and here will be no referendum in those States. In the commercial States, only those growers who will have more than 15 acres of wheat for grain in 1956 will be eligible to vote.

Howard Gonten, Milam County 4-H boy and son of Mr. and Mrs. Carl Gonten of Buckholts, placed second in the Tractor Contest held last week at the State 4-H Round-Up and Contest, at College Station. Howard was only three points behind the first place winner from Jim Wells County.

The tractor contest is divided into three divisions, 1, A written test; to determine the contestants knowledge of the tractor; 2, An oral demonstration describing tractor care and 3, A driving test set up to demonstrate the contestants skill in driving a tractor.

Howard received a gold wrist watch, a medal and a certificate as awards. He was accompanied by A & M by his parents, Mr. and Mrs. Gonten and sister, Carolyn; Mr. Willie Glaser, James Edward Glaser and County Agent, J. D. Moore.

Weekly Crop Report by Moore

"Good rains this week assure us a good feed crop unless hail or winds come" reported J. D. Moore, Milam County Agricultural agent.

Corn is very good and in the roasting ear stage; grain sorghum is heading out and looks good. Cotton looks like an irrigated crop with good growth and is fruiting good. About 50 percent of the cotton is blooming with light to medium boll weevil infestation.

"We are encouraging farmers not to poison unless necessary to give beneficial insects time to build up," Moore stated.

Truck crops are reaching the market with a light to medium tomato crop. Canteloupes will start moving next week.

Grasshoppers are staying in the pastures but should be controlled before they enter crops.

Moore concluded the weekly report by stating that the livestock conditions are good.

Chamber of Commerce officials announced today that entry blanks in the annual Cotton Contest are slow coming in yet, but a banner year of entries is expected, since Cameron and the surrounding territory is due one of the most successful harvests in many years.

The contestants entry will be judged on three major points: 50 per cent yield; 20 per cent records and 30 per cent improved farm practices, which is broken down as follows — Cropping system, 5 per cent; Soil and Water Conservation, 5 per cent; Planting State Certified Seed — 5 per cent; Control of Insects, 5 per cent; Cultivation and Control of Weeds, 5 per cent, and application of Fertilizer, 5 per cent.

Winners in last years contest were Gene Angell, first place and Ben Pittman, second place.

Entry blanks for the contest, which is open to all farmers in Milam County, are available in the Chamber of Commerce office, the County Agent's office, the Farmer's Home Administration office and the Milam County Farm Bureau, all located in Cameron.

A first prize of \$100.00, second prize of \$50.00 and two honorable mentions will be awarded at the conclusion of the judging.

300 Attend Farm Bureau Family Picnic

Approximately three hundred persons attended the annual Farm Bureau family picnic and meeting Thursday night at the City Park.

After the covered basket lunch, games were played with all groups participating. Directing the games was Mrs. M. A. Hearne assisted by Mrs. T. R. Allen, Mrs. S. W. McClaren, Jr., Mrs. Robert Jungmann and Mrs. Bernice Charles.

The Farm Bureau also held their regular monthly meeting in connection with the picnic.

William F. Arthur, service agent, gave invocation before the meal.

Plan To Aid Low Income Farmers Explained

Local initiative, interest and enterprise form the foundation for a proposed plan aimed at helping low-income farm families find ways to improve their level of living. The plan has been presented to Congress by President Eisenhower.

The President's long-range plan

is based upon the concept that a permanent solution must begin with the goals set by the people themselves, and be attained through the cooperative efforts of all segments of the community and all levels of government concerned with the problem.

Recommendations included in the plan call for an expansion of Federal and State services in technical assistance and extension work in areas of low resources; more intermediate-term credit

from private and cooperative lending agencies for farm development; additional credit and technical assistance from the Farmers Home Administration; a Federal-State research program aimed at solving problems common to the low-income group; improved state employment services and encouragement of underemployed rural population of industrial expansion labor.

Also to begin pilot programs within the next school year to develop more educational and vocational training opportunities in rural areas; improve health service and medical facilities in areas of need and trade area and community development program to increase incomes and raise living standards.

A U. S. Department of Agriculture report, upon which the plan is based, shows that 1.5 million farm families have a total income of less than \$1,000 a year. Under Secretary of Agriculture True D. Morse has been named the major USDA official responsible for directing and coordinating the USDA's part in the program.

Schools are given full responsibility and latitude for selecting the fellows and for utilizing the funds provided for basic research. Fields designated by the Shell Companies Foundation for 1955-56 support include business administration, chemistry, chemical engineering, engineering mechanics, geology, geological and petroleum production engineering, geophysics, mathematics, mechanical engineering, metallurgy-corrosion, physics, and plant science.

Three Ball Games Played Tuesday

In the colored Recreation Program C. L. Sadberry reported that the Rattlers defeated the Giants 14 to 3 in the Little League. Walter Spells was the winning pitcher. Harmon Kelly, the loser.

In the teen-age group, the Dodgers beat the New York All Stars, 11 to 6. James Leomons was the winning pitcher while his brother, Willie Leomons pitched for the losers.

Anna Margaret Tally pitched for the winning team in the girls baseball game. Her team defeated Shirley Johnson's team 8 to 4. Tonight at 8 p. m. both boys and girls will meet at the gym for volleyball and basketball games Sadberry stated.

Texas Press To Be Honored at State Fair In October

The State Fair of Texas will play host to Texas newspaper publishers and their families on the traditional Press Day, which this year will be Saturday, Oct. 8. It was announced here at the annual convention of the Texas Press Association.

A highlight of Press Day will be the Texas-Oklahoma gridiron classic at 2 p. m. in the Cotton Bowl. More than 2,000 newspaper publishers and radio and TV executives with their families are expected to attend Press Day at the Fair this year.

Mrs. R. G. Grabein and daughter, Nancy, and Mrs. N. H. Rowland visited over the weekend in Lake Jackson with Mr. and Mrs. Joe Rowland and family.

Accidents Rank Fourth As Death Cause in Texas

Accidents rank fourth as a cause of death in Texas. According to Dr. Henry A. Holle, Commissioner of Health, 5,372 Texans died last year of this one cause, while thousands more were crippled. There are no figures available on the number of days lost because of accidents, there can be no doubt but that it is tremendous.

Automobiles caused 2,519 deaths or 47 per cent of the total. The dangerous curves and intersections on the highways in Texas are well marked and drivers can assist greatly in reducing accidents by carefully observing them.

Many accidents could be avoided if motorists would drive below the legal speed limits when tired, sleepy, in rainy weather and when other hazards exist. One should adhere closely to the law regarding the dimming of lights for approaching cars. It is an old saying, but true, that those who drink should not drive.

Many deaths are caused by accidents in the home. A total of 650 deaths were caused last year by falls. In homes most of these fatal accidents occur on either outside or inside stairways. Of course, there are many other locations in the home where accidents can and do happen.

Disorderly housekeeping, poor furniture arrangement, slippery waxed floors, worn floor coverings unanchored rugs, neglected repairs and dark or obstructed pas-

sageways are other fall hazards found in many homes. Short cuts and so-called time savers frequently led to accidents. The time saved is insignificant compared to the cost and time lost from an accident. When everybody develops safety habits, accidents will not be "fourth" as a cause of deaths.

Selective Service Has House Cleaning

AUSTIN — State Selective Service headquarters Thursday completed a big house-cleaning chore it has been at since April 21, destruction of the draft files of approximately 1,750,000 men who registered with draft boards between 1940 and 1947.

It finally turned out to be close to a 200-ton job. The bulky records, stored in Austin since 1947, were sold to a paper company, which in turn is selling them to a Michigan pulp mill.

An official Selective Service representative had to sit by a shredding machine to see that every file was destroyed since the records are confidential. He has certified that he witnessed destruction of the records.

Registration cards and classification records of everyone who registered during the 1940-47 period are being saved, also approximately 81,000 files, mostly involving men classified as aliens at one time or another.

Selective Service also is keeping the current draft law, which went into effect in 1948. These records are now in 137 draft boards over the state.

"The draft law is still in effect,"

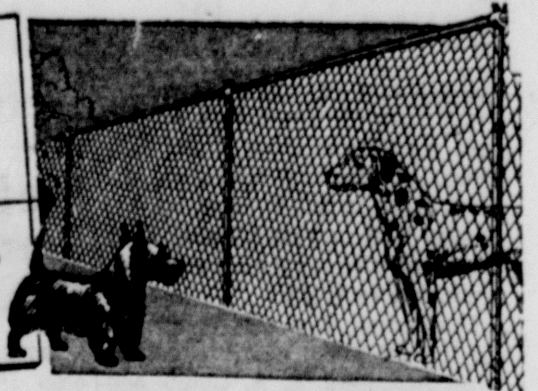

cautions Brigadier General Paul L. Wakefield, state Selective Service director, who was in charge of the destruction program. "Male reaching 18 are still required to register. All males born on or since August 30, 1922, should be registered with local draft boards under the present draft law."

The old draft records left can

be housed in one per cent of the space occupied by the destroyed records. Destruction of the records will reduce space needed by records. Destruction of the records more than half.

Mr. and Mrs. R. H. McFarland attended the McFarland family reunion in Georgetown last Sunday.

Shell Provides \$350,000 For Aid To High Education

Three of Texas' leading universities have been named to share in the \$350,000-a-year program of the Shell Companies Foundation, Incorporated, according to E. D. Cumming, vice president of Shell Oil Company.

Rice Institute, Texas A & M and The University of Texas are among 41 colleges and universities throughout the United States benefiting from the program.

The fund for education, one of the largest in industry, is being allocated by the Shell Companies Foundation, which administrators gifts made to it by Shell companies.

Mr. Cumming said that since the inception of the program in 1947, Shell has sponsored 407 fellowships and 89 research grants with a total value of \$1,500,000, and that the 1955 allocation was the largest ever provided for support of higher education.

The fund for higher education provides 49 fellowships and 20 research grants in designated fields of scientific and allied study.

Actual photo of the Plymouth Belvedere Sport Coupe

Add up the features, compare the prices! A short visit to our showroom plus some simple arithmetic will prove that Plymouth is your best buy of the low-price 3!

Drop by today for a demonstration drive in one of our big, beautiful Plymouths! Here are some of the wonderful things in store for you:

Biggest car of the low-price 3! Plymouth is 17 feet long—by far the largest car in its field, both inside and outside. That means you enjoy the smooth, steady ride only a truly big car, like Plymouth, can give you; as well as more room, more comfort, inside.

Most beautiful car of the low-price 3! Practically everyone rates Plymouth first for beauty. *Charm*, a leading fashion magazine, selected Plymouth "beauty buy of the year." Thousands picked Plymouth best-looking of "all 3" low-price cars in a nation-wide survey.

Most economical car of the low-price 3! When it comes to powerplants, there's really no match for either of Plymouth's 2 great engines. Try the 6-cylinder PowerFlow 117, the all-time champ for economy, reliability and performance. Or try the high-flying Hy-Fire V-8—with the highest standard horsepower of the low-price 3.

WHY PAY UP TO \$500 MORE FOR A CAR SMALLER THAN PLYMOUTH?

Don't be fooled by the claims of medium-price cars that they cost practically the same as Plymouth. When you compare price tags, you'll find that, model for model, Plymouth sells for much less, gives you more car for your money!

Plymouth named "America's Most Beautiful Car" by famous professional artists, the Society of Illustrators

274 Attend 25th Annual Fuchs Reunion In Austin June 12

Two hundred and seventy-four descendants of Lorenz and Friederike Fuchs met Sunday at the Sunken Garden in Zilber park at Austin, marking their 25th reunion celebration.

The first reunion was held at La Bahia Turn Verein Hall on Father's Day of 1930, when Dr. Nelson L. Schiller, Elenora and Kermit Fuchs collaborated on a family genealogy which they presented at that time. This was dedicated to Mr. Charlie Fuchs of Burton, Washington County, Texas, in honor of his being the only survivor of the original family of Lorenz and Friederike Fuchs of Carmine, Fayette County, Texas, this family record contained 372 entries. The family was then just getting into its 5th generation. The 1940 edition showed an increase by birth and marriage of 126 people in the 10 year period. The last revision, printed in 1949, showed a record of 637 different members of the family.

The reunion will be held again at Austin the first Sunday in June of next year when an up-to-date

revision will be presented.

Barbecue dinner was served picnic style from park tables at high noon. Masters of ceremonies were Grover Fuchs, faculty member of Texas University and Dr. Nelson Schiller of Austin.

Following the dinner hour the group gathered in the Recreation Hall for a short devotional and a business meeting when Grover Fuchs was re-elected president and Dr. Nelson Schiller, secretary for the ensuing year.

Guest speaker was Rev. J. P. Long, pastor of the Hope Lutheran church at Austin.

Attending from Cameron were Mr. and Mrs. Leo Fuchs and Monroe, Miss Helen Armstrong, Mr. and Mrs. Theo Fuchs, Theo and Joyce and Mr. and Mrs. Jimmy Lester.

Those from Buckholts to attend were: Mr. and Mrs. Johnnie Fuchs and Jennette, Mr. and Mrs. Gilbert Frenzel, Mr. and Mrs. Otto Denker Mr. and Mrs. Arnold Jungmann and Gloria, Mrs. Delphine Schiller, Mr. and Mrs. Alvin Fuchs, Mr. H. E. Fuchs, Darlene

Fischer, Mr. and Mrs. Ernest Hanke and family, Mr. and Mrs. L. H. A. Fuchs, Lawrence Fox, Jr. and Miss Juliann Jones, Mr. and Mrs. Edwin Lehmann and family, Mr. and Mrs. R. P. Lehmann and Mr. and Mrs. Ernest Fuchs III and family.

Hoyte H. D. Club Discussed Trees In Texas At Meet

Mrs. Earl Angell was hostess to the Hoyte H. D. Club recently at their regular meeting with eleven members and one guest, Mrs. Mitchell, present.

The program, "Historical Trees of Texas" was discussed by the group.

The hostess served sandwiches, pickles, potato chips, pineapple pie and soft drinks.

The next regular meeting on June 21 will be at the home of Mrs. Frank Hanel with the program for the day being "Meals From the Freezer".

Donald Ray Pimpler Celebrates Birthday At Party

Mrs. Edmund Pimpler honored her son Donald Ray with a birthday party Tuesday afternoon June 7 at their home in the Splawn community.

The party began by watching the Cartoon Carnival on T. V. After playing games on the lawn, a refreshment course consisting of birthday cake ice cream and fruit punch was served.

Those present for this occasion were Harold Pimpler, De Lois Pimpler, Wayne and Leslie Heugatter, Stanley Hairston, Ronald and Larry Plentl, Wayne and Lannell Maron, Merlene Rummel, Lanette and Lawrence Jr. Laffere, Sandra and Birtha Miller, David Barkemeyer, Mrs. Raymond Barkemeyer and Mrs. Gus Pimpler.

Betrothed Couple Names Attendants

Members of the Schmidt-Zelisko wedding party have been announced by the betrothed couple.

Mrs. Olen Freese of Corpus Christi will be the matron of honor and Mrs. Jimmy Lester of Cameron will be the bridesmaid.

Arnett Zelisko of Fashing will serve as his brother's best man and Edmund Schmidt, Jr. of San Marcos will be groom's man. James F. Tracy of Sinton and Hugo Fuchs of Buckholts will serve as ushers.

Miss Schmidt, the daughter of Mr. and Mrs. E. C. Schmidt and Mr. Zelisko the son of the late Mrs. Annie Zelisko will be married June 26 at the Hope Lutheran Church in Buckholts.

Munoz - Nieto Nuptial Rites Read Saturday

Miss Mary Ann Munoz, daughter of Mr. and Mrs. I. R. Munoz of Sharp, and Eddie Nieto, son of Mr. and Mrs. Evaristo Nieto of Rockdale, were married at her parent's home Saturday at 10 a. m.

Rev. M. M. Fulmer, pastor of the First Baptist church of Rockdale, performed the double-ring ceremony.

Following a reception at the bride's home, the couple left for a wedding trip to Monterrey.

The couple will make their home in Rockdale, where Mr. Nieto is employed by the Alcoa's Aluminum Works.

Mrs. Gus Evans, Sr. Entertains Class

Mrs. Gus Evans entertained the Homemakers Class of the First Baptist Church at her home recently. Mrs. John Hause presided over the business meeting, with

the officers and group captains giving their report.

Mrs. Hinton Pruett gave the opening prayer. Mrs. O. L. Kidd gave the devotional, using the 51 Psalm and closing with a poem, "Remember Our Promises".

Mrs. Pruett read several poems, one was the "Upward Look of the Kite."

Mrs. Evans played several musical selections closing with the "Sweet Bye and Bye".

A special prayer was given by Mrs. Butler and followed by a closing prayer by Mrs. Harris. The 14 members enjoyed a covered dish luncheon.

Bowling, Golf Lessons Getting Into Full Swing

Bowling and golf classes, a part of the Summer Recreation Program, turned out successful on the first day it was reported by the instructors, Dr. Audrey Boyce and Mrs. Charlie Burke.

Twenty-five boys and girls were present for the initial bowling lessons at the K. C. Alleys under the supervision of Dr. Boyce. She stated that four full teams had been organized with some extras and that she would like to have at least four more full teams.

Coach Leo Jackson, head of the Program, announced that a small

fee of 20 cents a line is charged to cover the costs of the alley.

Tuesday, Mrs. Burke taught the girls in their first golf lesson, however, Coach Jackson stated that beginning now, boys will be able to take lessons from Mrs. Burke at no cost. She teaches on the Country Club greens from 9 to 10 a. m., and then from 10 to 11 a. m. those present play. They meet every Tuesday and Thursday at that time.

Giants Defeat Dodgers In Colored League

The Giants defeated the Dodgers in the Colored Little League Thursday night.

The Giants had seven runs, 8 hits and one error while the Dodgers had 6 runs, nine hits and one error.

Winning pitcher was Willie Lemons while his brother, James Lemons pitched for the losers.

Bride Honored At Food Shower

A canned food shower was given recently for Joyce Hertenberger, who exchanged vows with Emil Vaculin Tuesday, June 14, at the home of Mrs. Joe Zalesky.

Hostesses were Mrs. Henry Va-

culin, Mrs. Joe Zalesky and Mrs. Victor Vaculin.

Approximately thirty guests registered during the afternoon. The Zalesky home was decorated with Chasta daisies and corn flowers.

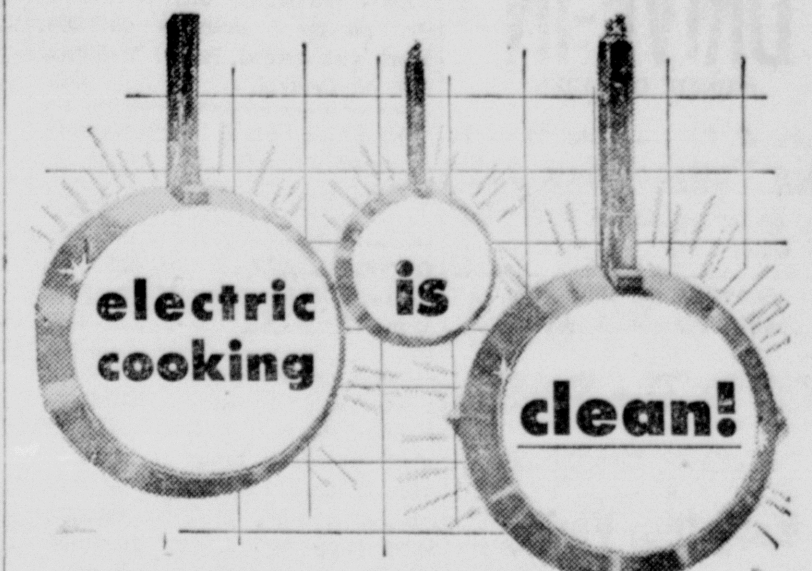

Following the closing of the party, refreshments were served by the hostesses.

18 Milam Students Enrolled At Baylor U. Summer Session

Eighteen students from Milam County are attending Baylor University. Fifteen of those students are from

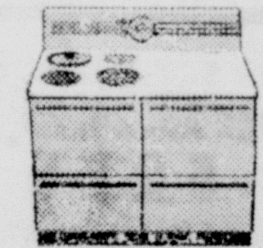

Cameron while Gause, Milano and Rockdale each have one enrolled at the University.

Attending are LuWane Asher, Mrs. Henrietta Terrell Burkes, Virginia L. Graham, Rudolphine Elizabeth Hoelscher, Norinne E. Holder, Richard Clifton Jenness, Barbara Josephine Johnson, Howard Max McClaren, Kate McLane, Lee Waldrup McLane, Robert Drayton McLane, Susan Coleman Rosson, John Carroll Russell, Mrs. Imogene LaGrone Whately, Mrs. Beatrice Wiese, all of Cameron, Amos Lee Bankston of Gause, Walter M. Fox of Milano and Alton Leon Gatewood of Rockdale.

Get into the Fine-Car Class...

STAR CHIEF CUSTOM CATALINA

... at a cost you can easily afford!

What is a fine car? What sets a certain few apart in the world's esteem... wins them first place in most people's desire?

First and foremost, a fine car is a style-setter—a real advance in smart appearance.

Naturally, it's also a pace-setter—a fundamental forward step engineering-wise. At the wheel you should know that you've reached the peak of performance—experienced an all-new kind of flashing, vigorous, smoothly delivered power.

There's more, of course. It must be enviable for sheer luxurious comfort, for restful roadability, for thought-quick handling ease.

And it must, above all, be wholly dependable,

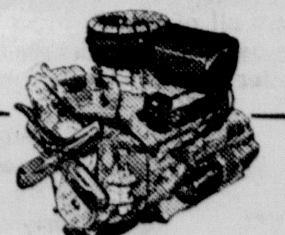

for only a trustworthy car can be called "fine."

If this meets your definition of a fine car and you want it, there's nothing in your way. For this description is right off the Pontiac score sheet—a short but perfect picture of this big, powerful, future-furnished car. And Pontiac's prices fit comfortably into anybody's new-car buying plans!

Come in for the rest of the reasons why this is the fastest-selling Pontiac in history—such as the inside story of America's most modern and efficient automotive power plant, the sensational Strato-Streak V-8. And get the trade-in appraisal this great success permits. We're sure we can prove that now's your time to move into the fine-car class!

THERE'S NO POWER LIKE STRATO-STREAK POWER!

Here is the heart of Pontiac's terrific performance—the all-new, ultramodern Strato-Streak V-8! This masterpiece of engine design will deliver up to 200 horsepower with Pontiac's 4-barrel carburetor, an extra-cost option. Come on in, take the wheel and see what Strato-Streak really means!

Sailing To Be Featured On Humble's TV Show

Sailing is a favorite summer sport for Texans. And all over the state Texans enjoy participating in regattas.

Next week The Humble Company's TV program, Texas in Review, will feature highlights of a typical regatta held by the Houston Yacht Club.

Among other Texas events on the same program will be films of a truck "Rodeo," and a visit to the Girl Scout Camp near Medina, Texas.

Sunday (June 26) Texas in Review can be seen on KPRC-TV, Houston, 10:00 p. m.

Monday (June 27) the program appears on KRLL-TV, Dallas, at 6:30 p. m.; WOAI-TV, San Antonio, 6:30 p. m.

On Tuesday (June 28) Texas in Review can be seen on KTBC-TV, Austin, 7:30 p. m. KCEN-TV, Temple, 7:30 p. m. KANG-TV, Waco, 7:30 p. m.

Farm tractors, carelessly operated, can cause death and destruction. The Texas Farm and Ranch Safety Committee advises tractor operators against taking chances

Some people wake up and find themselves famous; others remain out nights and become notorious.

1 Enlistment, 4 Promotions Made in National Guard

One enlistment and four promotions were made recently in the local National Guard unit, Battery C, 649th Anti-aircraft Artillery Battalion, the organization reported today.

The promotions, which were effective on June 1, were to the grade of Private First Class. Getting their first stripes were the following Guardsmen: Pvts. John A. Culp, Benny C. Massengale, Albert F. Mondrick and Alfred B. Rydell.

The new enlistment in the unit was made by James L. Bales. Bales is a resident of Buckholts, and was a student in Sharp high school.

Grover Albert, Jr. Attends Boys State

Grover Albert, Jr., spent the time between June 5 and June 13 in Austin attending Lone Star Boys State, sponsored by American Legion and reports a wonderful time.

There were 560 boys in attendance. In the election of officers Grover (Buddy) was elected P.M. of Hood City, County Constable. Assistant Attorney General He came home with several citations. The boys took over the Capitol and ran it for a day.

Before you pay over \$2300 for a smaller car.

FIND OUT HOW MUCH MORE THE BIG, 188-HP MERCURY GIVES YOU FOR YOUR MONEY

Enjoy all these big-car, fine-car features for less than the deluxe models of the "low-price" 3*

1. BIG SIZE—BIG WEIGHT. Mercurys are bigger all over than cars in the low-price field. Bigger in length . . . bigger in width . . . bigger in wheel base. The Mercury Monterey shown weighs close to 3700 pounds . . . gives you big-car stability on the road.

2. SUPER-TORQUE POWER. Mercurys have more power than ever—188 hp in Customs and Montereys; 198 hp in Montclairs. More important, is the new way this power is put to work in the everyday driving ranges—for smoother, effortless getaways . . . safer passing.

3. EXCLUSIVE STYLING. Mercury's beauty is fresh, distinctive—shared by no other car on the road. Lines are clean, smooth as silk. Use of chrome and color is simple, beautiful, in good taste. Mercury's standout styling is available in all 11 models in 3 series.

4. ULTRA-SMART AND LUXURIOUS INTERIORS. Two-tone interior color combinations are available in every model. So are specially designed fabrics and patterns—instead of ordinary upholstery. So beautiful you'll want to leave the door open!

5. 4-BARREL VACUUM CARBURETOR is standard on every model at no extra cost. You enjoy 2-barrel economy for normal driving, 4-barrel pickup for getaways and passing. Unique anti-fouling high-compression spark plugs help provide top performance in all speed ranges.

6. AND YOU SAVE ON FUTURE RESALE VALUE. Mercury consistently leads its class in high resale value, according to independent reports. You protect your investment—can expect to get back more of the original purchase price when you trade again.

*Based on comparison of manufacturers' suggested list or factory retail prices, using Mercury Custom 2-door Sedan (not illustrated).

Senior Boys League, Texas League Open Thursday Night

Jimmy Thompson won a double header in the Senior boys softball league Thursday night for LeRoy Thompson's Team I.

Thompson pitched the first game of the night, winning from Team II, managed by W. K. Leonard, 7 to 3.

Bobby Williams caught for Team I, while W. K. Leonard and Joe Lee Heitman made up the battery for the losers.

The winners only collected two hits while the losers got six hits and gave the ballgame away on errors committed.

Team I then met Team III, managed by George Hollas and defeated Hollas' team, 5 to 4, bringing in the winning score in the last inning. Again they were

See League — Page 4

out hit 4 to 3 by the losers.

Thompson pitched for the winners, Jimmy Rettig was behind the plate.

For the losers, L. Burnett was the catcher and J. Brantley pitched.

In the Texas League, Team I, coached by Bob Nelson and Bill Wallace, defeated Team II, managed by Niley Smith and Eugene Meigs, 18 to 10.

Battery for the winners was Glenn Balke pitching and Craig Wallace catching. Allen Dickey was behind the plate for the losers while B. J. Simmons pitched.

Team IV, coached by W. Vogel-sang and Chief Johnson, was the victor in the second contest, beating Team III, coached by Rev. John Solomon and Monroe White, 21 to 9.

Winning pitcher was A. Garcia and E. Flores catching. Losing pitcher was Don Caddell with Nig Moody catching.

Square Dancing To Be Featured At Temple Celebration

Square dance demonstrations have been held in many places, but Temple has thought up a new one.

During Santa Fe Diamond Day-June 19, a square dance will be held on railroad flat cars according to Ralph Doshier, entertainment chairman for the special Central Texas celebration.

The Temple Square Dance Club will sponsor the special exhibition square dancing on flat cars next to the Santa Fe park. Richard Robertson, versatile and well-known caller of Central Texas, will participate.

"The square dance will begin at 3 p. m.," said Richard Brown, president of the Temple Square Dance Club. "We think it is the first time that a square dance has been held on railroad flat cars," he said.

The all-day Santa Fe Diamond Day — celebrating the 75th anniversary of the arrival of the Santa Fe Railroad in Central Texas — will be a highlight of the year for Temple and vicinity.

Included in the variety of entertainment are a quarter horse show and a horse show; parade; dedication of a locomotive to the city by Santa Fe officials; a beauty contest; display of an old wood burning, diamond-stack locomotive and half-century old coaches; and an Old Fiddler's Contest.

Civil Defense Planning To Be Broader View

Civil defense planning for 1956 is going to take a broader view of probable targets and areas of damage.

This means that more than ever before, rural areas will be affected in the planning of federal, state and local civil defense forces.

William L. McGill, state coordinator of civil defense and disaster relief, said that this doesn't imply any lessening of the probability that critical target areas will be struck in case of enemy attack.

"It does mean that a lot of Texans and a lot of other people across the nation who live in very small communities will find themselves vitally interested in civil defense," he said. "Partly because of all that, it is conceivable that some citizens of smaller communities will find themselves in as great a danger as those in critical target areas."

Plans for 1956 have been released for publication by the Federal Civil Defense Administration. For the first time, they include the possibilities of surface bursts of atomic weapons and the influence of fallout.

The FCDA warned that "special civil defense measures will be required in the areas of contamination from residual radiation. Compared to the areas seriously affected by heat and blast, these fallout areas will be extremely large and may be affected by radiation intensities so high that most civil defense activities will have to be postponed or conducted with great caution."

McGill pointed out that the problem of fallout affects rural and urban communities alike, since the areas over which it can reach damaging proportions are determined largely by the size of the weapon, wind direction and other weather conditions at the time of attack.

FCDA authorities noted that planning is being carried on under the assumption that the Soviet Union may make nuclear weapons of varying yields which range from a few thousand to millions of tons of TNT equivalent. As a result, it is also being assumed that any city attacked with nuclear weapons can be "substantially" destroyed.

The advisory bulletin received by state civil defense headquarters also said it is to be assumed that if the United States is attacked, the principal weapons will be nuclear bombs delivered by aircraft or by submarines. It is expected that some of these will be detonated in the air while others will be exploded at ground level.

The great threat of radioactive fallout comes from nuclear devices exploded at ground level.

Milam County Must Have Good People

(Editor's Note: The following letter was sent to the Editor of The Cameron Herald by Homer B. Key, Lt. Col. U. S. Army, Retired, and we are printing it in full.)

1601 North Clarence, Wichita 12, Kansas, 16 June 1955.

The Editor, The Cameron Newspaper, Cameron, Texas.

Dear Sir:

I would appreciate your publishing this letter in your paper and see that Mr. Bryon Neal, County Commissioner at Rock Dale gets a copy of the paper.

I realize now the importance of your Texas Song, "The Eyes of Texas are upon you". This was proven to me on the morning of June the 1st, three miles South of Cameron. I ran out of gasoline and flagged the first car for a lift to the nearest service station.

County Commissioner Bryon Neal was the driver of the pickup truck. He took me to the first service station in Cameron, where I purchased two gallons of gasoline. He took me back three miles South to my car and wife. He refused to accept payment for this good Samaritan Act.

If Mr. Neal is a sample of the type of people that live in your County, you are to be congratulated on having good Christian People.

It is no wonder that he has been elected and re-elected as County Commissioner. A man of his character and type is a blessing to any County and State.

It was a pleasure to have met him and I can strongly recommend him to the Citizens of your County and State as a good man and a real friend to strangers. I remain

Respectfully yours

Homer B. Key
Lt. Col. U. S. Army

CARD OF APPRECIATION

We wish to express our sincere appreciation to each and every one that helped in any way during the illness and passing away of our beloved mother. To those who sent food to our home and the beautiful floral offerings and cards or for any expressions of sympathy, we are deeply grateful.

We are especially grateful to the doctors and the staff of nurses at Newton Memorial Hospital for their untiring services and tender care.

May God bless each of you in our prayer.

The children and grandchildren of Mrs. Dela Williams

Charles Allday On All-Texas High School Band

The All-Texas High School Band after five days' existence, presented a concert Friday, June 17, at 8 p. m. in University of Texas Recital Hall.

The 146 high school musicians from 36 Texas cities performed under the baton of Dr. A. A. Harding, University of Illinois band director emeritus. Other conductors were Bernard Fitzgerald and Frank Elsass, both of the University of Texas music faculty.

Among the high school musicians selected for the All-Texas band included Charles E. Allday of Cameron.

ATTEND FUNERAL

Among the out of town relatives and friends who attended the funeral services, Monday for Mrs. Della Williams were: Mr. and Mrs. W. E. Coley of Winters, and daughter, Mrs. Bill Eckert of Ballenger, Porter Coley and sons, Mr. and Mrs. Gene Coley and Mr. and Mrs. Raymond Coley of Waco.

Mr. and Mrs. Dede Fischer and Mr. and Mrs. Cravy (Red) Lewis of Austin, Mr. and Mrs. Leroy Kettler of San Angelo, Mr. and Mrs. Delmer Coley and Mrs. Homer Solomon of Houston, Mr. and Mrs. E. H. Houston of Texas City, Mr. and Mrs. Jack Weber and

daughter, Jackie of Orange, Mr. and Mrs. George Weber and son, Don of Texas City, Mrs. Gladys Ray Coley and mother, Mrs. D. Martin of Temple, Mr. and Mrs. Les Cleek and Mr. and Mrs. Ivan Cleek of Cameron and Mr. and Mrs. Alfred Finney and family of Meeks.

Frances Michalka Gets Scholarship To Texas University

Sixty-two students who will be entering freshmen next fall at the University of Texas are winners of \$100 Wilbur S. Davidson scholarships for 1955-56.

The awards are made annually to students in the upper half of their high school graduating classes.

Included on the list is Frances Ann Michalka, daughter of Mr. and Mrs. Bill Michalka.

Frances graduated as salutatorian of the 1955 senior class of C. H. Yoe High School.

San Gabriel Child Dies in Austin

Frances B. Rutherford, 4 died unexpectedly in an Austin hospital about midnight Friday.

The cause of the child's death was undetermined late Saturday night, pending the findings of an

autopsy performed in Austin.

The child, daughter of Mr. and Mrs. James Rutherford of San Gabriel, became ill Friday morning and was taken to the Austin hospital.

She is survived by her parents and two sisters, Mrs. Fritz Koenig of Granger and Edna Rutherford of San Gabriel.

Funeral service was held in the chapel of Green Funeral home Sunday at 3 p. m. Rev. Robert Perrin, pastor of the San Gabriel Baptist church, officiated. Burial was in the City cemetery at Thorn-dale.

Shell Brings First Movement Through New Pipe Line

The first movement of products began last week through a new 65-mile, 12-inch diameter pipe line from Norco, Louisiana, to a point near Baton Rouge, it was announced Saturday by Shell Pipe Line Corporation.

A new pump station near Norco, just west of New Orleans, will make the line capable of carrying 50,000 barrels daily. Kerosene, distillate fuel oil and two grades of gasoline will be delivered through the line from Shell Oil Company's recently-expanded Norco refinery to a junction with the Planata further shipment to southeastern

states.

An unusual and difficult phase of construction was laying of the line through 12 miles of swamp-land adjacent to the Airline Highway. This segment of the pipe is coated with more than an inch of concrete as protection against corrosion or other damage. The cost of laying pipe through swamp-land is estimated to be three times that of dry land operation.

The line was designed, built and will be operated by Shell Pipe Line Corporation.

Mr. and Mrs. John A. Florida, Jr. have returned from a two week vacation spent in Dayton and Houston.

CHAMBER OF COMMERCE DUCHESS — Miss Ann Karnowski will represent Cameron Chamber of Commerce as a duchess in the 4th of July celebration in Belton, it was announced by the Public Relations Committee. She will ride with other beauties representing surrounding towns, and the queen for the day on a decorated float. All duchesses will be honored at a noon luncheon at the American Legion Hall and introduced at the night rodeo. The parade is scheduled to begin at 10 a.m. Miss Karnowski is the daughter of Mr. and Mrs. Frank J. Karnowski.

LaWanda Raney, Donald Shuffield Marry In Church Ceremony Sunday

Miss LaWanda Raney, daughter of Mr. and Mrs. C. T. Raney exchanged nuptial vows with Mr. Donald Shuffield, son of Mr. and Mrs. Furman Shuffield at 3:30 p.m. on Sunday, June 19, at the Cameron Baptist Church.

Rev. H. M. Sawyer, pastor of the church, read the ceremony before an arch entwined with greenery and gladioli.

Miss Frances Michalka played the traditional wedding marches and accompanied Mildred Fox, who sang "I Love You Truly" and "The Lord's Prayer".

carried carnation bouquets.

Bobby Williams was the ringsman while Billy Holloway was the groomsmen. Ushers were Miss Betty Shuffield and William Gilbert.

Glenda Beth Fuller was the flower girl, she was dressed in white. Ring bearer was Ronnie Holloway.

Both the mother of the bride and the groom chose navy suits with white accessories and wore white carnation corsages.

A reception was held immediately following the ceremony at the home of the bride's parents. The reception table was covered with a lace cloth and centered with the four-tiered wedding cake, iced white and topped with a miniature bride and groom. A blue satin ribbon came from the center of the table to the edge and was inscribed with gold letters, "Donald and LaWanda".

Mrs. Veta Riola served cake while Mrs. Alton Robbins poured punch.

Miss Betty Shuffield was at the bride's book.

When the couple left on their short wedding trip to Temple and Killeen, Mrs. Shuffield was wearing a two-piece blue dress, white accessories and a white corsage.

Mr. Shuffield returned to work at the McLane Wholesale Co. here Wednesday. The couple is at home at 604 N. Houston St.

The groom graduated from Yoe High School in 1955. Mrs. Shuffield also attended Yoe High School.

Among the out-of-town guests were Mr. and Mrs. A. R. Johnson of Meeks; Mrs. Eickenhorst and daughter, Imogene of Meeks; Mr. and Mrs. Floris Fuchs of Buckholts; Mrs. Drier of Rockdale; Miss Ellen Myrtle Johnson and Charlotte Johnson of Cleburn.

32 Attend Ice Cream Supper At Collins Home

Martha Collins and Glenn Rozenberg entertained at an ice cream supper Wednesday at the Collins home honoring Ronald Hudson and Jane Henderson.

Ronald, who recently received his masters degree from Texas A. M. College, left Thursday for San Antonio where he will be commissioned into the Armed Services. Jane left Saturday for Hawaii where she will attend the first six weeks summer school at the University of Hawaii.

Homemade ice cream and cake were served to approximately thirty-two former classmates and friends of the honorees.

Twila Bollinger To Marry Ray Holloway

Mrs. Linne Bollinger announces the engagement and approaching marriage of her daughter, Twila

Miss Twila Bollinger Joy, to Mr. Billy Ray Holloway of Cameron.

Twila Joy is the daughter of Mrs. Bollinger and the late Mr. R. L. Bollinger of Bentonville, Arkansas. She is a 1953 graduate of Bentonville high school, Arkansas, and is now employed with the Hornung Hatchery here.

Cpl. Holloway attended school in Cameron and now is with the U. S. Army, stationed at Fort Hood, Texas.

Buckholts Baptist Vacation Bible School Starts

The Buckholts Baptist church vacation Bible school will begin Monday June 27 to continue to July 1. Classes will begin at 8 a. m. to be followed by a recreational and social hour.

Mrs. W. D. Porter will be principal of the school. Superintendents for the different age groups are Mrs. Joe C. James, beginners; Mrs. O. C. Whittington, primary; Mrs. Ladis Marek, juniors, and Mrs. H. V. Hess will have charge of the intermediates. Others to assist in the school work are Mrs. Nealon Peeler, Mrs. Douglas Williams, Mrs. S. M. Corely, Alice Joe Dunagan, Joy West, Mrs. E. E. Phillips, Mrs. G. C. Williams, Mrs. C. R. Criswell, Mrs. Leon Brady and Mrs. W. B. Ezzell.

In charge of boys handwork will be Mr. John Persky, Horston Hess and Kenneth Porter.

Mr. and Mrs. L. A. Campbell of Corpus Christi have returned home after visiting a few days with Mrs. N. H. Rowland and Mrs. R. G. Grabein.

Miss Marilee Hughen, Kenneth Thweatt Marry in Church Ceremony June 15

Miss Marilee Hughen exchanged nuptial vows with Mr. Kenneth Thomas Thweatt in a double ring ceremony Wednesday afternoon, June 15 at 3 o'clock, at the Maysfield Methodist church. Rev. Byron Price of Wewoka, Oklahoma, former pastor of the church, performed the ceremony before an altar decorated with dahlias, pink glads and fern.

Just preceding the procession the church bells rang. Mrs. Francis Cox of Cameron, dressed in blue lace with a pink corsage, furnished the prenuptial music and accompanied Wayne Fisher of Cameron who sang "Because" and "No Other Love". Following the ceremony Mr. Fisher sang "The Lord's Prayer".

The bride, given in marriage by her father, wore a white crystal-lette gown fashioned with a lace jacket decorated with tiny buttons down the front. Her veil was lace edged. She carried a pearl studded Bible, a gift of the groom, topped with blush orchids and lilies - of - the - valleys and showered with white satin ribbons. The bride carried a heirloom handkerchief of linen and

handmade lace, that her mother and grandmother carried in their wedding.

Miss Joyce Wilkinson was the maid of honor, Bride's maid was Lynette Thweatt. They wore petal pink silk pongee dresses, ballerina length and carried bouquets of pink carnations, showered with white tulle and ribbons.

The groom was attended by Carol McElwath of Lexington and Frank Tyson of Milano. Ushers were Wayne Thweatt and John Duncan of Cameron.

The mother of the bride chose a dusty pink dubonnet dress with a feathered carnation corsage. The groom's mother wore a blue and white dress, blue carnation corsage and white accessories.

A reception was held immediately following the ceremony in the church parlor. Miss Delores Phipps of Houston registered the guests.

The bride's table was covered with a pink cloth topped with a lace cloth. It was centered with a pink arrangement of Dahlias, roses and daisies.

The three tiered wedding cake, topped with a miniature bride and

groom was served by Mrs. Bill Thweatt while Miss Patsy Mullinax of Cameron served the frost-aid punch.

When the couple left on their honeymoon, Mrs. Thweatt was wearing a blue shantung dress with pink accessories and an orchid from her bridal bouquet.

Both Mr. and Mrs. Thweatt are graduates of Yoe High School, Cameron. She is the daughter of Mr. and Mrs. Victor Hughen while the parents of the groom are Mr. and Mrs. Vaughn Thweatt.

Among all the ticket punches used by over 10,000 railroad conductors in the United States, no

two of the punches make a hole of the same shape. "You won't need a ticket to attend Santa Fe Diamond Day in Temple on June 29" General Chairman, Frank W. Mayborn, said yesterday "There will be square dancing, a parade, Old Fiddler's Contest, horse show, beauty contest, and 101 other things."

Herman Janke left Friday for Brenham where he will go via train to Galveston and enter John Sealy Hospital for treatment. Before returning to Cameron, Mr. Janke will visit in the home of his sister in Baytown.

New Gulf No-Nox gives you not just the highest octane but... full working octane

"Let us show you how easy it is to drive a CHRYSLER!"

Chrysler owners know it and we'd like you to know it—Chrysler is winning performance honors, hands down!

Come prove it to yourself by taking the "100-Million-Dollar Ride!" It's a driving thrill that no other car can give you... with America's finest family of V-8 engines to choose from... up to 300 hp; mightiest of all! Teamed, mind you, with PowerFlite automatic no-clutch drive... which for honey-smooth take-off power leaves even "second best" out of sight!

Chrysler is a big car. Low, long and sleek. It has fashion

experts coining new terms to fit it, like "tailored steel." Yet, thanks to countless exclusive drive-features (all Chrysler-originated) it handles as easy as a wave of your hand. There's Full-time Power Steering, for one. Chrysler Power Brakes, for another. Extra large... extra easy to apply... extra safe stopping power!

That's why we say you're not only miles ahead in a Chrysler, but years ahead as well. Isn't now a good time to start pacing the field in the car that's the big news of 1955? We're ready to start you off—the minute you say when!

COME TAKE THE **CHRYSLER** "100-MILLION-DOLLAR RIDE!"

GOOD DRIVERS DRIVE SAFELY!

GREEN MOTOR CO. - Howell & 4th Street phone 17

FOR THE BEST IN TV, SEE "IT'S A GREAT LIFE" AND "CLIMAX" SEE TV PAGE FOR TIMES AND STATIONS

because it's super-refined to burn clean

No gasoline, no matter how high the octane, can keep on giving you full power from your engine unless it burns clean.

That's why New Gulf NO-NOX is your best gasoline buy. In making new NO-NOX, Gulf refines out the "dirty-burning tail-end" of gasoline, the No. 1 troublemaker in today's high-compression engines.

As a result, you get a clean-burning gasoline that gives you:

- More complete engine protection than you get with so-called "miracle-additive" gasolines
- Extra gasoline mileage in the kind of short-trip, stop-and-go driving motorists do most
- Freedom from vapor lock, stalling and stumbling in hot-weather driving
- No knock, no surface pre-ignition—even in today's high-compression engines

Remember this picture? This is Gulf's famous burner demonstration—proof of what a difference Gulf super-refining makes. Notice that Gulf refines out the "dirty-burning tail-end" of gasoline...

instead of fighting it, inside your engine, with so-called "miracle-additives." That's why new, clean-burning Gulf NO-NOX can promise you not just highest octane, but full working octane.

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team... New Gulf NoNox Gasoline and **New Gulfpride H.D. Select Motor Oil**

The only motor oil in the world that's super-refined by the Alchlor Process for modern high-compression engines.

- Controls carbon—cause of knock, pre-ignition, valve failure.
- Combats corrosive acids, rust and deposits on engine parts.
- Assures lower oil consumption than "all-season" oils.
- Provides the toughest protective film ever developed.

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30—for each season.

Texas Purchased More Than \$16 Million of Bonds

Texans purchased more than \$16 million worth of U. S. Savings Bonds in May of this year, Nathan Adams and Ed Gossett, State Savings Bonds Co-Chairmen has reported.

May sales of Series E and H Bonds throughout the state totaled \$16,039,000, which was 30.5 per cent more than during May of 1954, the Co-Chairmen announced. The May purchases also were 4.9 per cent higher than sales in April this year.

Purchases of Savings Bonds by Texans during the first five months of 1955 amounted to \$87,163,000, or 22.4 per cent more than total sales during the same period of 1954, the report said.

6,279 Separated From Service During May

AUSTIN — While 3,238 Texans were entering the armed forces in May, 6,279 were separated, it was shown Tuesday on an official report sent to Washington by the office of the state director of Selective Service.

Lieutenant Colonel Marlin D. Lewis, official spokesman for the state draft director, said that, of the 3,238 Texans who entered the armed forces in May, 2,774 went in by enlistment, the remaining 464 going in through the draft boards.

While these men were beginning and ending military service, a total of 5,283 young men, mostly 18 year olds, registered with the state's 137 draft boards.

The federal draft law requires that all males in the United States

register with a draft board on their 18th birthday, or within five days hereafter.

State Selective Service boards forwarded only 116 men during April for physical-mental examinations for military service. Seventy-six were found acceptable by the Army, the remainder being rejected.

Six doctors were examined under the doctors' draft law in May, five being found acceptable. Two doctors and one dentist were commissioned in the armed forces after being sent orders to report for induction.

Colonel Lewis estimated that approximately 137,000 Texans were in the armed forces at the end of May, compared to an estimated 150,000 one year before that

Deadline Nears In Heart O' Texas Fair's Vote For Star

Hurry, hurry, if you haven't voted, youngsters, in the favorite Western star contest of the Heart O' Texas Fair as votes must be mailed not later than Monday to Waco.

The boys and girls are the ones who will decide which star will appear at each rodeo performance during the Waco fair, October 1-7. Just write your choice on a sheet of paper or a postal, give your name, address and age, then mail to Heart O' Texas Fair, P. O. Box 3065, Waco, Texas.

Texas Lawyers To Hear Top Safety Engineers

One of the nation's top safety engineers will tell Texas lawyers at the annual State Bar convention in Dallas July 1 "How to Win More Traffic Accident Cases by

Correct Analysis."

Ralph H. Snyder of Oklahoma City is one of some 50 speakers who will participate in the four-day convention on all phases of legal practice.

Snyder has been in the safety engineering field for the past 23 years, and for the past 12 years has specialized in traffic accident and fleet phases of training.

Convention officials expect an attendance of 3,000 lawyers, their wives and guests, and will be the largest state bar convention ever held in Texas — or the nation.

Drouth and overgrazing has thinned stands of grass in most permanent cultivated pastures and this coupled with recent rains is

likely to make the control of weeds a bigger problem this summer. Mow your pastures early for weed control while there is plenty of moisture in the soil advises Extension Pasture Specialist E. M. Trew.

Jesse Kirk, Jr. To Continue Operations From Cameron Sta.

The many friends and customers of the Jesse Kirk Juniors will be interested to hear the good news which comes of this well known and well liked family of Cameron.

As everyone knows, Mr. Kirk has spent most of the current year

in the valley at his branch office and questions are flying as to whether they will be able to keep him in Cameron or not. However, reliable information reports that Mr. Kirk will continue to use his Cameron office as headquarters since it is the most centrally located spot of all his various operations.

At this time he and his family have not arrived at a definite decision as to whether they will settle here permanently or locate at one of the branches either in the valley, Florida, or California.

There has been quite a change in Mr. Kirk's operations in the past eight or ten years. In the beginning, he owned and operated only one truck. By hard work and

practised economy he has enlarged his business until he is now operating forty-five units which he keeps busy hauling grain, salt, and produce. In order to take care of new salt contracts he is adding twenty five additional units in the near future.

In the past few years, Mr. Kirk has farmed on a rather large scale, but at the present time is debating on cutting his farming to a minimum.

Texan Wins Opportunity Fellowship Award

Edward Idar, Jr. of Laredo, Texas, has been awarded an Opportunity Fellowship for 1955, the John Hay Whitney Foundation announced today.

Mr. Idar graduated from the University of Texas in 1949 with honors. Since then he has worked as State Chairman of the American Council of Spanish-speaking people and as Executive Secretary of the American G. I. Forum. In 1953, Mr. Idar was instrumental in compiling an influential report on the "wet-back" situation along the Mexican-United States border.

With the aid of an Opportunity Fellowship, he will now begin his final year of study toward the Bachelor of Laws degree at the University of Texas.

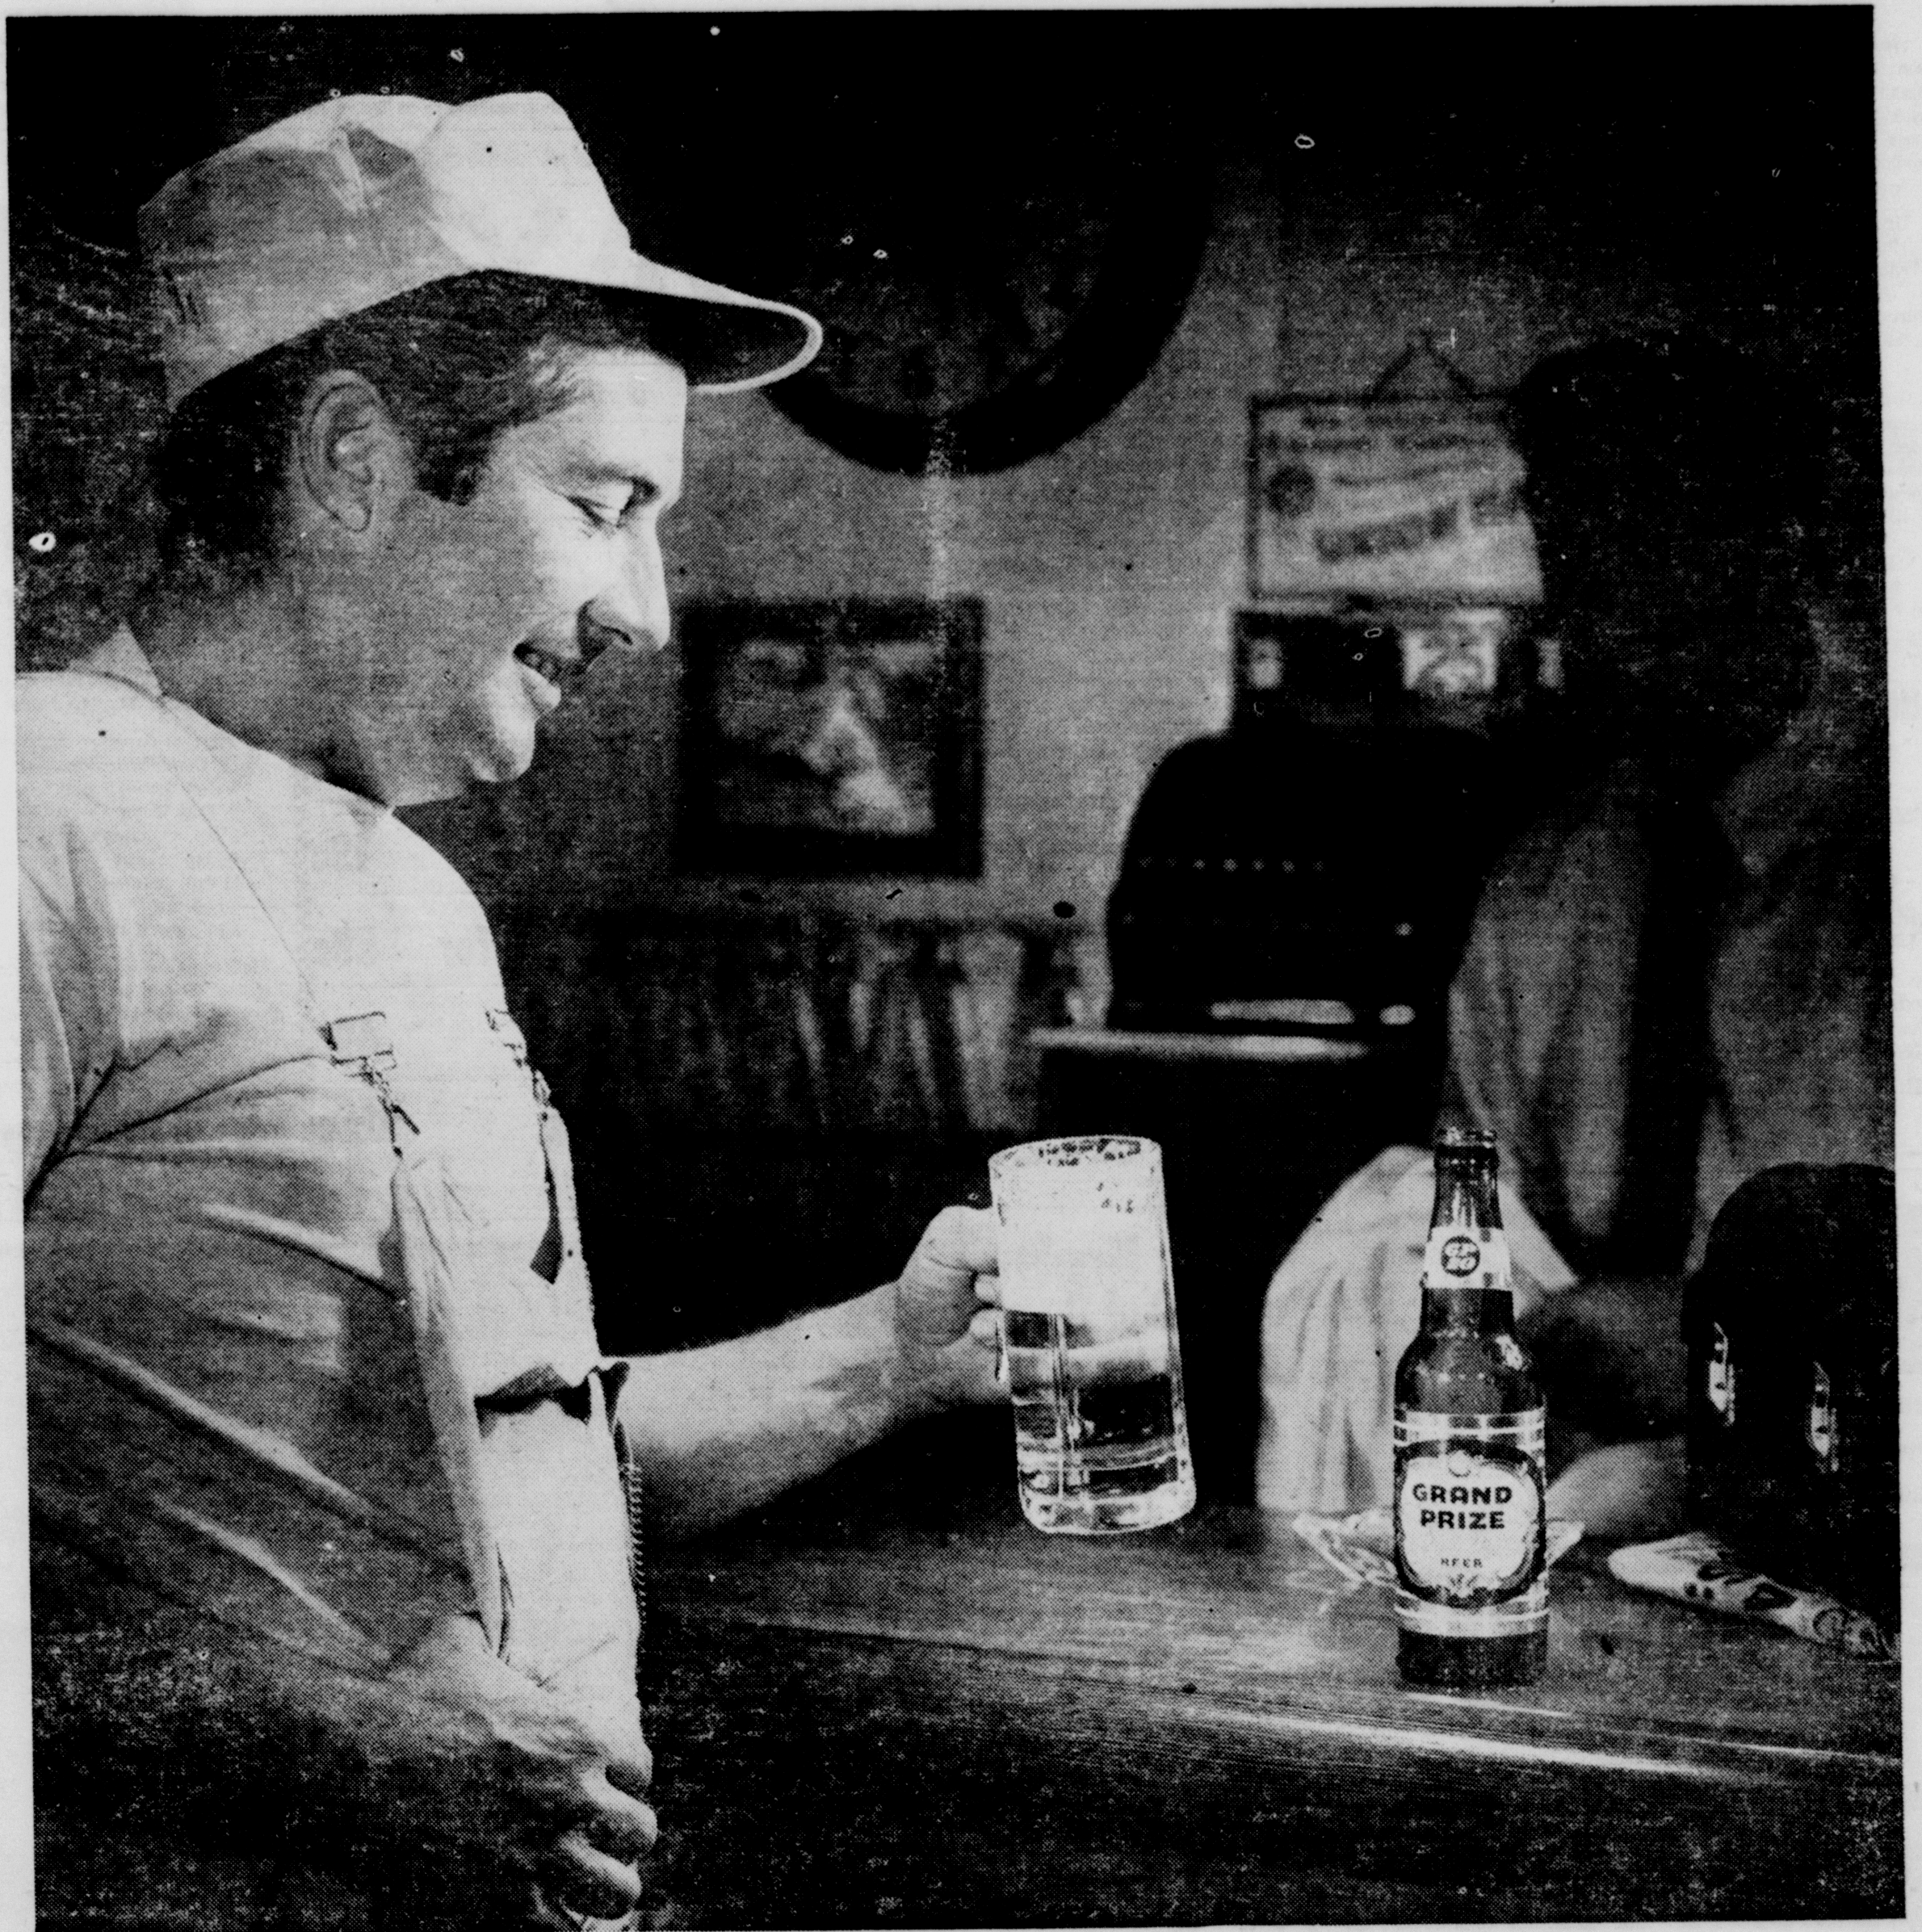

Miss Carol Gregory of San Antonio, is spending her vacation visiting in the homes of Mr. and Mrs. Lester Turner and other

friends and relatives here and in Burlington.

Recent guests in the home of John Schiller and family were Dr. and Mrs. George Paulas and children and Mr. Schiller's sister-in-law and family, Mr. and Mrs. Joe Prepka, all of Saint Louis, Missouri. Mr. Schiller's daughter, Miss Ann Schiller, who is employed at the City Water Department

Mr. and Mrs. W. E. Black spent the week end in the home of their daughter, Mr. and Mrs. Earl Poole of Maysfield, and attended church here with the Poole and Lester Turner families.

Miss Joyce Hertenberger Becomes Bride of Emil Vaculin In Double Ring Ceremony

Before an altar banked in summer greenery Joyce Hertenberger became the bride of Emil Vaculin in an impressive double-ring ceremony Tuesday, June 14.

Father George Duda performed the ceremony which was held in the St. Monica's Catholic Church in Cameron.

The bride is the daughter of Mr. and Mrs. Adolph Hertenberger of Cameron and the groom is the son of Joe Vaculin of Cameron.

The church choir sang several selections and Miss Frances Michalka, at the organ, played the processional and recessional.

The bride, given in marriage by her father, was gownned in a dress featuring a fitted lace bodice which came to a point at the waist and extended into a full gathered tulle skirt. The fitted lace sleeves tapered to a point at the wrist. Her finger-tip veil of illusion depended from a tiara fashioned of delicate lace flowers and pearls.

She carried a bouquet of white gladiolus and a rosary. As "something old" and a cherished family keepsake, she carried a handkerchief of her great-grandmothers.

Miss Eunice Kleiber, the Maid of Honor, was dressed in a net strapless gown in pink. The gathered bodice with sweetheart neckline extended into a flowing skirt. Enhancing the gown was a fitted bolero with peter pan collar. Her hat was of ruffled net and she carried a colonial bouquet of blue gladiolus.

The bridesmaids, Lillie Hromick and Patricia Hertenberger wore matching dresses in yellow and blue and carried contrasting colonial bouquets in pink and orchid gladiolus.

Bobby Powell served as best man with Daniel Hromick and Walter Andrele serving as groomsmen.

Brothers of the groom, Stanley and Henry Vaculin, served as ushers.

The mother of the bride chose a

tions. Each award is presented with a certificate of merit.

The committee is looking forward to much more participation in the event than in the past since crops over the country seem so much improved this year.

Contact the Chamber of Commerce office, phone 101 for any further information.

navy blue silk crepe dress with white accessories and wore a white carnation corsage.

A lavish reception was held immediately following in Simon-George Hall with over 150 friends and relatives of the bride and groom attending.

The lace covered refreshment table was centered with a traditional three-tiered wedding cake topped with a miniature bride and groom, flanked by a punch and coffee service.

Mrs. Lewis Faichtinger poured and Miss Nancy Kubish served the cake. Relatives of the bride presided at the bridal book.

The wedding guests were feted to lunch and dinner at Simon-George Hall, followed by a dance that night.

As a going-away outfit the bride

chose a navy blue dress with fitted bodice and peter pan collar and pleated skirt, wearing white accessories.

On their wedding trip they went to Port Lavaca, planning to travel on to Corpus Christi.

The couple is now making their home at 703-A North Central in Cameron, where the groom is employed by the Andrele Lumber Company.

Both are graduates of Yoe High School.

F. H. A'sers Attend Leadership Camp At Texas A & M

On Tuesday, June 14, F.H.A.'ers, Rose Matyastik, Marye Horstmann and Annetta Shelander, with Miss Patsy Skeen, sponsor, set off for a three day leadership training conference at Texas A&M

This meeting, which included District and Area VIII officers, was held in the Student Center on the campus.

Rose, Marye, and Annetta, with the help of four other Area VIII girls, presented a skit at Wednesday morning's session.

Being Area VIII Second Vice President, Rose Matyastik was chairman of the degree committee. She and her committee gave their report to the other girls at the last general session on Thursday.

Marye Horstmann, District IV President, attended the committee meetings of that office. She gave the report at the last session.

Annetta Shelander, District IV Reporter, attended the Public Relations Committee meetings.

Another bit of business was the planning of each meeting of the four districts in Area VIII. These will be held after school starts.

This conference's main purpose

was to teach the qualities of a good leader and follower, the duties of the girls' office, and parliamentary procedure.

These three girls will bring this back to other Yoe F.H.A. girls by reporting and practicing what they learned.

Buckholts 4-H Club Girls To Met Friday

Mrs. Alice Hughes, Milam County Home Demonstration agent will meet with the Buckholts 4-H Club girls Friday night at 8 o'clock in the HE Cottage Building.

Following the business meeting, a film on Shrubbery will be shown.

Jeanette Fuchs and LaVelle Fischer 4-H club delegates, will give a report at this time on the District 4-H encampment they attended recently a Camp Tres Rios near Geln Rose.

Buckholts Brethren League Honors Six New Members Sun.

The Buckholts Brethren League honored six new members with a weiner roast Sunday night at Mrs. Millie Krall's cabin located at the Bryant Station river bridge.

Members honored were Glen Hutha, Charles Hundle, Kathryn Svetlik, Charlene Kudlacek, Carolyn Mekush, Betty Wilhite, and Rosa Koenig. Other guest included Lamar Gresak and Walter Zajicek.

Raymond Posival and Ernest Orsag, league superintendents, directed outdoor games before Mrs. Pete Orsag, league mother, served refreshments to the 12 people attending.

The leaguers will meet Sunday July 3 at 7:30 p. m. in the church auditorium for their next business session.

R. Carr Member of ET C of C Committee

Rollan J. Carr, manager of Elm Ridge Farms, Cameron, has been named a member of the Agriculture Committee of the East Texas Chamber of Commerce.

The announcement was made by Charles F. Hawn, Athens, president of the East Texas Chamber.

As part of the program of progress of the East Texas Chamber, the Agriculture Committee will work to increase the dollar value as well as the quality of farm and ranch production. Improved methods of marketing will be sought. The most modern developments in farm and ranch operation will be brought to the attention of the entire 72-county area served by the chamber.

Julius Hertenberger Dies In Local Hospital Thursday

Julius Hertenberger, 71, died at St. Edward Hospital early Thursday morning, June 16, 1955. Mr. Hertenberger had been in declining health for some time. He was born and reared in Milam County and was a retired farmer.

Among his survivors are his widow, Mrs. Frances Hertenberger of Cameron, two sons, Carl Hertenberger and Adolph Hertenberger both of Cameron, two daughters, Mrs. B. L. Franklin of Bold Knob, Arkansas and Miss Gertrude Hertenberger of Cameron. He is also survived by two brothers, Rudolph Hertenberger and August Hertenberger, both of Cameron and four grandchildren.

Funeral services were scheduled for nine o'clock Friday morning at St. Monica's Catholic Church, with the pastor Rev. George J. Duda officiating. Interment in St. Monica's cemetery, with Marek-Burns Funeral directors making the arrangements.

Rosary was said Thursday at 8:30 at the Chapel of Marek-Burns funeral Home.

New Dodge Custom Royal Lancer—the most beautiful hardtop on the road!

Don't let adventure pass you by!

Perhaps you've stood on a street corner as a sleek Dodge Custom Royal Lancer flashed by. In its wake, a tingling sense of excitement! And if you've felt an irresistible urge to "boss" a Lancer around, it's perfectly understandable. Because here's the car that puts adventure back into motor-

ing. And the sweeping flair of its low, eager lines only hints at the thrilling performance you'll experience behind the wheel. So don't stand on the sidelines and let adventure pass you by. Pick up the keys to a Dodge Lancer for a whole new world of motoring pleasure!
